

LIFE IN LONDON

Fordham's London Centre is located in Clerkenwell, a vibrant and central neighborhood of the city, within walking distance to St. Paul's Cathedral, the Barbican Centre, and King's Cross St. Pancras Rail Station.

The London experience begins with a comprehensive orientation that acquaints students with health, housing, travel, academic, and safety information. Following orientation, the Centre organizes a variety of activities during the first weekend in London to help get students acquainted with each other and the city.

Student Affairs

Each semester, the Student Affairs team prepares a program of optional social events, trips, and visits to theatre or sporting matches, otherwise known as their 'social calendar'. Trips offered as part of the social calendar are day-long excursions or weekend trips subsidized by Fordham. Past London Centre trips include a Stonehenge and Bath Day Trip, Lake District Hiking Weekend, Windsor Castle and Eton Day Trip, and a Wales Adventure Weekend which included surfing, sea kayaking and other activities. Students can expect to receive their social calendar in advance of their study abroad semester so that they can sign up for events and organized trips in advance.

Program Trip

A program trip is included as part of your study abroad experience at Fordham London. These trips are considered a key component of your study abroad program and the costs are covered by your program fees, except for personal spending money. Program trips include a variety of social and academic programming in the destination city. Past program trips have visited cities such as Paris, Amsterdam, and Brussels.

Housing

Student accommodations are located in residential areas of Central London within an easy commute to the Fordham London Centre. All accommodations are apartment-style with students sharing twin bedrooms. Flats include at least one bathroom, a living space with couches and television, dining table, and a generously sized kitchen. All flats have wireless internet access. The kitchen includes a refrigerator, a washer-dryer, and amenities such as a toaster, microwave, kettle, pots, pans, plates, bowls, cutlery, glasses, and mugs.

"One of the things I valued the most about studying abroad in London was the incredible cultural experience. Every day there was a new opportunity for me to explore historical landmarks, visit world-class museums, and interact with people from all walks of life. The overall experience made me more open-minded and appreciative of global diversity."

-Jaden Ovalle, London Liberal Arts Summer 2023
