Clarification is needed to ensure you are being considered for the maximum amount of financial aid available. The 2022 income reported on your financial aid application appears to be low. Please fill out the worksheet below, listing all of your income and expenses. When completed, this worksheet should demonstrate how you supported yourself and/or your family in 2022. If you are a dependent student, you must include parental information on the second page. **In all cases, the Total 2022 Personal Income (B) must equal or exceed Total 2022 Personal Expenses (A) recorded.** Do not include any income or expenses that are paid for by a business you own. Documentation may be requested to support the figures reported on this form.
