Still having trouble finding your readings?

Your classroom professor may use a Required course page, their own personal course page, or both. Check with your professor about where their course material will be found. To search for your professor's personal course page:

1) Under the "Search by Instructor" field, scroll to your professor's name and click "Go".

Search by Instructor
CHAZIN, Robert ▼ Go

2) Click "+ Add Course" next to the course you are teaching.

	Course Number	Course Name
+ Add Course	SWGS 6404	Crisis Intervention and Trauma Treatment
+ Add Course	SWGS 6420	Clinical Practice II2

3) Enter the password for the page and click "Add Course". For most individual courses it is the professor's last name, followed by the 4-digit course code (ex.: Password for Prof. Chazin's SWGS 6404 is chazin6404.) Contact your professor if the password does not work.
